Vidya Valley North Point Junior College

Vidya Valley North Point Junior College, Chinchwad, Pune is established in 2015. Our objectives are to provide academic opportunities across the range from children in preprimary to adults in higher education.

The Motto | |पुर्णता गौरवाय | | adopted by the Vidya Valley is from the famous couplet in the ancient epic “Meghadoota” by Kavi Kalidasa. These two words of Kavi Kalidasa are very meaningful to us even today.” If

you are perfect and complete you command Praise, Glory and Magnanimity” or “If you desire for Praise or respect you should acquire perfection”. There could be many more meaning attached to this phrase. It would depend on how you look at it, but to us in the Vidya Valley the motto is a tremendous responsibility that we have to live up to.

Mission

- ◎ To Train the students to become the best business minds with entrepreneurial attitude.
- ◎ To provide a conducive environment for continuous upgrading of knowledge.
- ◎ To provide programs focusing on the holistic development of students.
- ◎ To groom the personality of the students by providing channels to improve physical fitness and a strong sense of social and environmental responsibility

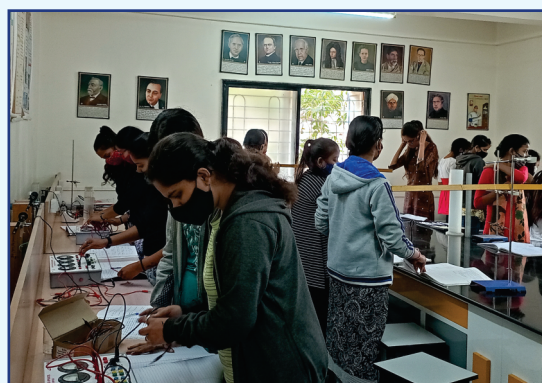

Vision

- * We envisage Vidya Valley as a center of an academic excellence in the field of “Management” and “Information Technology” where we Provide Knowledge, the appropriate skill to apply that knowledge and the attitude to use their skills appropriately
- * Build character and personality so that our students must develop a positive attitude towards life and accept the challenges of life with head-on.
- * Make our students competitive to fulfill the requirements of industry and business.

Objectives

- ◎ To hone students' focus and help them to gain depth in their chosen field of study to achieve academic excellence
- ◎ To enable them to prepare for lifelong learning by nurturing independent thinking
- ◎ To sensitize students towards the immediate environment and the society at large
- ◎ To provide a platform to actualize students' talents and encourage them for their goal accomplishment.
